### Chapter 1 by Angela J.R

You know what I mean.

The feeling that makes you elated.

The feeling that makes you high.

The feeling that makes you heartbroken.

It is like a drug that you cannot escape.

You think about it everyday.

You can't deny.

It makes you so desperate for it.

Then you get it.

Now you get addicted.

You get high.

It makes you hallucinate.

And then when you lose it.

You are heartbroken.

You cry you scream you throw things.

You cannot do anything to

So, don't do love. It is bad for your health.
